

## *Stars and Stripes Vendor “Frequently Asked Questions”*

### **What time can we set up?**

Michael Murphy will be at the Bandstand in the park at 8 am. He will be prepared to help you pick out a spot.

**Can I request a certain spot?** We make every attempt to accommodate special requests *IF POSSIBLE*. (i.e.: keep the fudge vendors out of the sun!)

### **Can we set up on Friday night?**

We do not recommend this at all; there is no security in the park on Friday night.

### **Is electricity available?**

No, it isn't.

### **Where do we park?**

After you unload your set up and merchandise, please park behind the Municipal Building which is on the west side of the park. There is plenty of room back there and this leaves precious parking space for **your** customers!

### **What if my tarp is 12 x 12 feet, not 10 by 10 feet?**

That is fine. If you go too much beyond that size, you will be required to pay for two spaces.

### **How late do we stay?**

We like to see vendors stay set up till about 4 pm.

### **What else is going on?**

The parade begins at 10 am. You need to be downtown before 9, as traffic gets blocked off for the parade. Right after the parade, The Slant Six Swing Band will be playing in the park until about 3 pm. The Bel-Airs will play for a “Park Dance” from 6 pm to 9 pm. (any food vendors interested in a captive night audience?)
